

Virtual Coworking

Description

virtual coworking

[\(Public Virtual Coworking Room\)](#)

Always-On Virtual Rooms

These virtual rooms let you quickly jump on to a video call with any other members of the space or your team.

- We don't monitor or keep any data from these virtual rooms.
- KNOWN Members have access to their own private room.
- An always-on virtual room dedicated Virtual Coworking allows you to meet others and co-work at anytime!
